(Amd. of 5-4-96)

Sec. 8.02. Automatic levy.

If for any cause the City Council shall fail or neglect to pass a tax ordinance for any year, levying taxes for that year, the tax ordinance last passed shall be considered in force and effect as the tax ordinance for the year for which the City Council so failed to pass a tax ordinance, and the failure to pass such ordinance in any year shall not invalidate the collection of the tax for that year.

(Amd. of 5-4-96)

Sec. 8.03. Due date and penalties.

The City Council may also prescribe the date when taxes shall become due and prescribe penalties for nonpayment before they become delinquent.

(Amd. of 5-4-96)

All persons purchasing any of said property after the first day of January in any year shall take same subject to the liens herein provided. In addition to the liens herein provided, on the first day of January of any year, the owner of property subject to taxation by the City shall be personally liable for the taxes due thereon for such year. The City shall have power to sue for and recover personal judgment for taxes without foreclosure or to foreclose its lien or liens or to recover both personal judgment and foreclosure. In any such suit where it appears that the description of any property in the assessment rolls is insufficient to identify such property, the City shall have the right to plead a good description of the property to be assessed, to prove the same, and to have its judgment foreclosing the tax lien or for personal judgment against the owners for such taxes.

Section 8.07. Arrears of taxes offset to debt against city.

The City shall be entitled to counterclaim and offset against any debt, claim, demand or account owed by the City to any person, firm or corporation who is in arrears to the City for taxes, in the amount of taxes so in arrears, and no assignment or transfer of such debt, claim, demand or account after the said taxes are due, shall affect the right of the City to so offset the said taxes against the same.

Section 8.08. Tax remission discount and compromise, correction of error.

Except as herein provided, neither the City Council nor any other official of the City shall extend the time for payment of taxes nor remit, discount or compromise any tax legally due the City, nor waive the penalty and interest that may be due thereon to any persons, firms or corporations owing taxes to the City for such year or years; provided, however, that this provision shall not prevent the compromise of any tax suit, or the correction of any errors in assessment, or preparation of tax rolls, or preparation of a tax statement. Such compromise or correction of errors shall first have the approval of the City Council by majority vote of all Councilmembers.

Section 8.09. Other rules and regulations.

Except as otherwise provided by law or this Charter, the City Council shall have the power to provide by ordinance such rules, regulations and mode of procedure to enforce the collection and payment of City taxes as it may deem expedient, and may provide such penalties for the failure to pay such taxes as it may deem expedient.

No franchise shall be exclusive.

Section 9.04. Transfer of franchise.

No public service franchise shall be transferable except with the approval of the City Council as expressed by ordinance. The term "Transferable," as used herein, shall not be construed in such a manner as to prevent the franchisee from pledging said franchise assets as security for a valid debt or mortgage.

Section 9.05. Franchise value not to be allowed.

Franchise granted by the City shall be considered to be of no value in considering:

- A. The rates and/or charges for utilities or service within the City; and
- B. The compensation to be paid by the City for public service property which the City may acquire by condemnation or otherwise.

Section 9.06. Right of regulation.

In granting public service franchises or in amending, renewing or extending them the City shall have the following rights:

- A. To repeal the franchise by ordinance for failure of the franchisee to comply with its terms. Included is failure of the franchisee to begin construction or operation within the time prescribed. This power shall be exercised only after the franchisee has been given due written notice and opportunity for hearing, and a reasonable time, not to exceed sixty days from hearing date to correct such failures.

- F. To require every franchisee to furnish within a reasonable time to the City, without cost to the City, a general map, with updates outlining the location, character, size, length and terminals of all facilities of such franchisee in, over and under ground of property in the City and to provide detailed information on request.
- G. The City shall have the right to set rates of City owned public services.

Section 9.07. Extensions.

All extensions of service within the City limits shall become a part of the aggregate property of the service, and shall be operated as such, and shall be subject to all the obligations and reserved rights contained in this Charter. The extension of the service shall be considered as part of the original grant and shall be terminable at the same time and under the same conditions as the original grant.

Section 9.08. Regulations of rates.

Except as limited by State or Federal law, the City shall have the following rights to fix and regulate the rates and charges of all public utilities and fix the fare of all public transportation of every kind operating within the corporate limits of the City:

1. Cost of its investment properly allocable to service in the City;
 2. Amount and character of its expenses and revenues connected with the rendering of such service; and
 3. Any additional evidence required by the City Council.
- D. [The] City Council may, if not satisfied with the sufficiency of the evidence furnished by the public service, select and employ rate consultants, auditors and attorneys to investigate and, if necessary, litigate the requests for changes in rates, charges or fares. The public service shall reimburse the City for its reasonable and necessary expenses so incurred. If the City Council takes no action on the request, the new rates go into effect after thirty-five days.
- If the City Council needs more time to study the request, it must, before the time runs out, notify the company in writing that it needs more time to study the request and will suspend the operation of the schedule for one hundred twenty days.
- E. The public service may, if not satisfied with the rate, charge or fare ordered by City Council, make a motion for rehearing within twenty days of the entry of such order. Such motion will be deemed overruled if not acted upon by City Council within thirty days, provided that City Council may by resolution extend such time for action on the motion to a maximum of sixty days.
- F. No public service may institute legal action contesting such rate, charge or fare by City Council until such public service has exhausted all remedies provided herein.

Section 12.05. Submission of the Charter to the voters.

The Charter Commission in preparing this Charter concludes that it is impracticable to segregate each subject so as to permit a vote of "yes" or "no" on the same, for the reason that the Charter is so constructed that in order to enable it to work and function it is necessary that it should be adopted in its entirety. For these reasons, the Charter Commission directs that the said Charter be voted upon as a whole and that it shall be submitted to the qualified voters of the City of Ingleside at the special City election to be held on November 6, 1979. Not less than thirty days prior to that election, the City Council shall cause the City Secretary to mail a copy of this Charter to each qualified voter of the City of Ingleside as appears from the latest certified list of registered voters. If a majority of the qualified voters voting in that election shall vote in favor of the adoption of this Charter, it shall become the Charter of the City of Ingleside, and after the returns have been canvassed, the same shall be declared adopted and the City Secretary shall file an official copy of the Charter with the records of the City. The Secretary shall furnish the Mayor a copy of said Charter, which copy of the Charter so adopted, authenticated and certified by his/her signature and Seal of the City, shall be forwarded by the Mayor to the Secretary of State of the State of Texas and shall show the approval of such Charter by majority vote of the qualified voters voting at that election.
